## INTRODUCTION

The WordForTodayDevotional is a direct vision from heaven. I never intended writing at all in ministry. But as I was waiting on the Lord, reading my Bible, the Holy Spirit came and this was birthed on the 22<sup>nd</sup> January 2020. He said speaking to me “it is not you, it is I and it shall invade the world with signs, miracles and creative testimonies.”

I congratulate you therefore, for the privilege to have this copy with you. Believe that your case is settled and that you must follow among the multitudes that will share their testimonies around the world.

Now, when you have a testimony by this material, please honour the Lord Yahushua and the Precious Holy Spirit by sharing it with us, so we can thank Him on your behalf. So send in your testimonies through the available channels.

More importantly, if you gave your life to Christ by coming in contact with this material, please let us know, so that we can help you be established by sending you materials that will help you in your new found faith.

Our prophetic focus for the Month of March 2026 therefore, is “YAHWEH’S WORD BUILDS ME UP AND GIVES ME MY INHERITANCE AS I EXIST IN SHALOM” (Acts 20:32). March 2026 shall be our month of the Word. We shall be exploring the Word in almost all directions. What is the Word and does the Word have an objective reality. Because the Word does have an objective reality, we can relate with it and it is that relationship that brings about the building up we experience, and as we mature, we lambano our inheritance. We shall be looking at how the Word practically builds us up; to how to encounter the Word; to dimensions of the Word; to hindrances to accessing the Word. The Word is a seed that when planted and watered grows to be great. Shalom!

### How To Use WordForTodayDevotional For Total Benefit

1. Use it during your quiet time. For best result, use it very early in the morning while there is tranquillity and your body is not tired to receive from the Holy Spirit.
2. Meditate on what the day’s word is saying and how it applies to you. If you need to repent or amend, be quick to respond to the promptings of the Holy Spirit for maximum benefit.
3. Pray the prayers and confessions aloud and mean it from your heart.
4. Expect to receive according to the day’s prophetic release. They are not for entertainment but for performance in your life.
5. Share your testimonies because the Lord Jesus is waiting to receive them. That is the proof that you received what He sent to you from heaven.

Congratulations and am waiting for your testimonies.

Happy New Month!

## INTRODUCTION CONT'D

### What Is New In This Edition?

From this edition we are making a very great switch on using the original Hebrew names of the LORD GOD and JESUS CHRIST. We discovered that the current name Jesus came about after about three translations and does not represent the correct Hebrew/Aramaic name of the Son of Yahweh as He was called when He walked the earth. The correct Hebrew name from our findings is Yahushua (Jesus) HaMashiach (the Anointed, Christ), and from this edition going forward, we shall revert to this. Also the sacred name of the LORD GOD which in Hebrew is represented as YHWH which is Yahweh or other Hebrew variants like Adonai, Elohim, El-Shaddai, etc shall be used going forward. Name is very important in the realm of the spirit and our Father does not play with it. It may sound strange to you because you are already used to what you were taught before but as you follow us to call Him the original real name, you shall become well acquainted with them.

This may also affect Hebrew names in general as we may from time to time refer to the original Hebrew names of individuals as against what is regular in our day.

And now, brethren, I commend you to God, and to the word of his grace, which is able to build you up, and to give you an inheritance among all them which are sanctified.

Acts 20:32 [KJV]

Happy New Month Beloved! Welcome to the third month of the year of SHALOM 2026. This is also the last month of the first quarter of this glorious year. Better is the end of a matter than the beginning thereof. The end of this first quarter shall be far better than the beginning. We also trust Yahweh that you were gloriously impacted by the rain of soul-winning word in the month of February. Existing in Shalom, I am truly gathering souls unto eternal life and entering into the labours of others by divine favour. Soul-winning as we saw brings us into divine favour that provoke turnaround testimonies in the lives of participants. We saw that it is love for Yahweh that graduates into affection and escalates into addiction that causes us to see the pleasure of Yahweh which is the salvation and establishment of souls; that brings us into realms of favour with Yahweh. We trust Yahweh, you have been baptised with the passion for souls and zeal for kingdom promotion both on the altar of intense intercession, preaching the gospel, follow-up, compelling invitation and giving of your resources for the gospel. Your life can never be the same as you make these practices your lifestyle.

What then is the Lord Yahushua saying to the Royal Life family in the month of March 2026. Having been born again by the Incorruptible Word of Yahweh, your life is built up and established by the same Word. You are a product of the Word. It was the Word that you heard that produced the faith that saved you. So, the Word of Yahweh is your source and there is a principle that the source is also the sustainer. That means for your life to be established and thrive in this kingdom, the Word must be given the first place and that throughout your adventure

on earth. The Word builds you up. You are a house that the Lord Yahushua is building and the Word is the instrument and materials for this building. The purpose of this building up is to bring you to maturity and full development. It is only when you are mature that you can take (Greek: lambano) your inheritance. Lambano means to take something and make it your own. It is the action of the fully developed in HaMashiach. You have an inheritance in HaMashiach but you need to be built up enough to take it. You need to come to sonship and that is what the Word ensures.

Our prophetic focus for the Month of March 2026 therefore, is "YAHWEH'S WORD BUILDS ME UP AND GIVES ME MY INHERITANCE AS I EXIST IN SHALOM" (Acts 20:32). March 2026 shall be our month of the Word. We shall be exploring the Word in almost all directions. What is the Word and does the Word have an objective reality. Because the Word does have an objective reality, we can relate with it and it is that relationship that brings about the building up we experience, and as we mature, we lambano our inheritance. We shall be looking at how the Word practically builds us up; to how to encounter the Word; to dimensions of the Word; to hindrances to accessing the Word. The Word is a seed that when planted and watered grows to be great. Whatever is your need and expectation is just one Word away. Shalom!

This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.

Joshua 1:8 [KJV]

The Word of Yahweh is what our text calls “this book of the Law”. The Word of Yahweh is the revelations of Yahweh to holy men and women as they were moved by the Holy Spirit. The Word of Yahweh is the Bible as it is today. The Bible is the record of Yahweh's dealing with people which reveal His person, attributes, nature, likes and dislikes. Our Yahweh is not a god that does not speak. He speaks and has shown us how to know Him. He commanded the people of old to write down His dealings with them so that it will serve as examples and instruction for the generation next. I Corinthians 10:11 says, *“Now all these things happened unto them for ensamples: and they are written for our admonition, upon whom the ends of the world are come.”* Because our Yahweh is unchanging like shifting shadows, who He was yesterday, is who He is today and is who He is going to be tomorrow (see Hebrews 13:8). This means that if you know how he responded to someone yesterday, and you are interested in that order of response, you can replicate it in your own life as you respond just like that person you read about. Our Yahweh has establish laws and principles and if anyone is interested to follow them, he/she will receive according to the expected outcome according to the Word of Yahweh.

In Isaiah 55:10-12 Yahweh said *‘10 For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater: 11 So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it*

*shall prosper in the thing whereto I sent it.'* If you can get a hold of the Word and act on it, it is as sure as anything sure. That is why Yahweh is bringing us to focus on the Word because it defines the limits of anyone's destiny. It is only what you see, observe and do that impacts your destiny in this kingdom. Everything begins with the Word and will end with the Word. If constant metamorphosis is your vision then the Word of Yahweh must be your delight day and night.

The Bible is the result of holy men of Yahweh being brooded over by the Holy Ghost. The Bible is the book of the law and prophecy. It is the record of the dealings of Yahweh who does not change with holy men by the power of the Holy Spirit. So, the Bible is the Word of Yahweh. Some would say that the Bible contains the Word of Yahweh. But the Lord Yahushua asserted that the Old Testament is the scripture (see John 10:35; Luke 24:44-45; Matthew 15:6).

The Bible is full of citations where it quotes God. However, it also has citations of non-inspired individuals, such as Judas, Herod, etc. Satan, for example, lied when addressing Eve in The Garden of Eden. This means that the Bible contains a record of a lie. But how can such an error be included in the Word of God and still have the word of God be inerrant since a lie is an error? The answer is that the Bible inerrantly records the lie. It makes no mistakes in its reporting of events, in its proclamation of truth, and in its revelation of God's will. Where it may record the lies, failures, deception, etc., of various individuals, it does so perfectly and without error. Likewise, when it records historical events, genealogies, etc., it does so using the idioms and cultural norms of the time—yet it is without error.

Yahushua acknowledged this when he said that the Word of Yahweh, the Scripture, cannot be broken. This means that it cannot fail. Why? because the written form of the word of Yahweh, which is Scripture, is inspired; and because it is inspired, it cannot fail; it must be fulfilled.

Remember, Yahushua called the Law, the Prophets, and the Psalms (all of the Old Testament) Scripture; and he says that the Scriptures cannot be broken—cannot fail. Selah!

#### REMEMBER

The Bible is the Word of Yahweh which He passed through Holy Men by the Holy Spirit.

#### CONFESSION

I believe that the Bible is the Word of Yahweh and that it is sent to me today. I receive it as my personal Word and it shall be the foundation and compass for my life and destiny. Glory be Yahweh!

And the Word was made flesh, and dwelt among us,  
(and we beheld his glory, the glory as of the only  
begotten of the Father,) full of grace and truth.

John 1:14 [KJV]

In Genesis chapter one, we saw the manifestation of the Father, the Word and the Holy Spirit. The Father, spoke the Word and creation happened, while the Holy Ghost was brooding over the surface of the deep. The move of the Holy Spirit alone could not bring about creation. Same today, the move of the Holy Spirit alone in your life, Church, family cannot bring about the creation of your desires. We must learn from the Father, who desired creation and spoke the Word. Creation is a function of the spoken Word and the move of the Spirit. Then, man was created. We had man join the family of The Father, Word and Spirit in the beginning. In the process of time, man sold out to the devil breaking fellowship with the trinity. This resulted in the perfect order being lost and man died (spiritually disconnecting with his source and physically returning to the ground as dust in the process of time) and also inheriting the destiny of Satan which is the lake of fire at the end of the age. To provide man with salvation, the Word had to manifest in the flesh of man. It was the same Word that created all things that was spoken to the virgin Mary that became the Lord Yahushua. The Word was made flesh because He must become like unto his brethren in order to redeem them (see Hebrews 2:17 NET). It must be a man that can redeem the fallen man.

That Word that was with Yahweh in the beginning, was the same Word that was made manifest (see John 1:1-5). The Word became a person and interacted with humanity. This is very critical for you to understand because the Word is not one remote thing. The Word is now a person and that person is the Lord Yahushua HaMashiach (Jesus the Christ). In this age for you to profit from the Word, you must establish a relationship with

personified Word, Yahushua. If you don't have a living relationship with Him, then the Logos (written Word) will only engender to death for you because you would not understand it (see II Corinthians 3:6). And it takes understanding the Word to stand. The difference between two people that are trying to relate with the Word is understanding and the root of that understanding is a living relationship with the Lord Yahushua. Mark 4:11-12 says, *'11 And he said unto them, Unto you it is given to know the mystery of the kingdom of God: but unto them that are without, all these things are done in parables: 12 That seeing they may see, and not perceive? and hearing they may hear, and not understand? lest at any time they should be converted, and their sins should be forgiven them.'*

Before we delve into the fullness of what the Lord is saying this month, please ensure that your relationship with the living Word is intact. If you have not surrendered your heart to the Lord Yahushua or you have backslidden and living a lifestyle of sin and unrighteousness, you can return and rededicate your life now. Head to call to surrender of this devotional and pray that prayer with all your heart, then contact us to help and support you to be established.

#### **REMEMBER**

the Lord Yahushua HaMashiach is the Word made flesh.

#### **PRAYER**

Beloved Heavenly Father, I thank You for Your Word to me today. I receive the grace to maintain my relationship with You through my Lord and Saviour Yahushua in the name of the Lord Yahushua HaMashiach Amen!

#### **PROPHETIC RELEASE**

This month will mark a drastic and dimensional shift in your walk with the Lord in the name of the Lord Yahushua HaMashiach Amen!

#### **FURTHER READING**

Matthew 13:1-23; John 1:1-17

**ONE YEAR CHRONOLOGICAL BIBLE READING PLAN:** Read the events of the bible in the order that they happened.

Leviticus 15:1-16:34; Mark 8:31-9:13

It is the spirit that quickeneth? the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life.

John 6:63 (KJV)

The Word of Yahweh is a spiritual reality. When we say that something is a reality, it means that it is in the state of being actual or real. It means that the state of that thing as it really is rather than as you might want it to be. The Word of Yahweh is a spiritual reality means that the Word is real and an actual person even though it is only related with spiritually. That you do not see it does not in any way reduce or negate its reality. This is critical because you cannot try to understand the Word like you do Physics or Chemistry or any other subject. It takes being in the spirit and being spiritually minded to experience the Word. That is exactly what our opening text is saying that until the Holy Spirit quickens the Word for you, it would remain a story to you. The Word is Spirit and Life and until one is in the spirit, you cannot profit from the Word. At new birth, you have the Holy Spirit in you. It is called the Spirit within. John 14:17 says, *'Even the Spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you.'* The work of the Spirit within is to change you into the image of HaMashiach by conforming your character and lifestyle to the image of the Son of Yahweh. As you study the Word, the Spirit within, brings the understanding that makes your life outstanding.

Your duty is to recognize that the Word is a spiritual reality and can only be released into the spirit-man by the help of the Holy Spirit. The Word is the food of the spirit-man. Just as physical food is the way you sustain the physical body, the Word is the food of the spirit-man and the only way by which the spirit-man can be sustained. Without coming into contact on a daily basis with the Word, your spirit-man cannot be strong and

healthy. You need to expose your spirit-man to the Word on a daily basis, that is the only way to maintain a healthy spirit-man and to ensure that you are going to be a success in life no matter where you live or work. The Word is superior to any climate or economy. Joshua 1:8 indicates that if you can observe and do the Word, that you will make your way prosperous and that you will have good success. Doing well in life with peace of mind is only by the Word.

Every time you seat with the Word, ask for the help of the Holy Spirit and be conscious that you are feeding your spirit-man as you hear, read and meditate on the Word. Hear this: the Word will separate you from sin and the world; and sin will separate you from the Word. Our opening text indicates that the flesh profits nothing but Romans 8:6 says that to be carnally minded is death. The flesh not only does not profit, but it engenders to death of your spirit-man and then eternally in the lake of fire. Selah!

#### REMEMBER

The Word is as real as you.

#### CONFESSION

The Word is as real as I am and from today it determines what is real both to me and to my world. No matter what the world says, only what the Word says is real is a reality in my life. Glory!

#### PROPHETIC RELEASE

Whatever is a reality in your life now that negates the Word is cursed today in the name of the Lord Yahushua HaMashiach Amen!

For ever, O Lord, thy word is settled in heaven.

Psalms 119:89 (KJV)

It is the settled Word that settles every issue in your life. The Word of Yahweh is forever settled. Nothing can unsettle the Word. Whatever in your life that is contradicting the Word now can be settled by the Word if you can partner with the settled Word today. If you are sick, for instance, and you partner with Isaiah 53:1-5 which is already fulfilled in Matthew 8:17 and has become a past tense in I Peter 2:24, then that scriptural calculus can terminate whatever sickness, disease or satanic affliction, the bogus name given to it by doctors notwithstanding. That is how the Word settles issues in our lives. The Word is eternal. That means that it is forever. The Word does not change. It will never change because of your situation. Whatever is confronting you now will never make the Word to change, instead the Word has the capacity and capability to change your situation to conform to the Word. Beloved, the Word cannot change. The Word is eternal and constant. Beloved, your circumstances are fleeting and you must commonize them today in the face of the eternal infallible Word of Yahweh. The Lord brought out slaves from captivity with silver and gold. No matter what your financial situation is saying today, you can rise to supernatural order of wealth and affluence by the Word of Yahweh. If you will be diligent to observe and obey the Word, there is a guarantee in Deuteronomy 28:1 that you will emerge on top of whosoever that evokes your envy now.

In Luke 5:4, the command of the Word came, *"Launch out into the deep, and let down your nets for a draught."* After considering the instruction for a while, *"And Simon answering said unto him, Master, we have toiled all the night, and have taken nothing: nevertheless at thy word I will let down the net."* (Luke 5:5). You see beloved, your response to the Word is what

determines your outcome. The Word does not change but your response can make the Word look like it has changed. Also the magnitude of your result is a function of the dimension of your response. Simon responded positively but not in the same magnitude of the instruction. The instruction says, "let down your nets." but Simon let down only a net because that was what his faith could carry and you can never see the Word manifest to you beyond your faith response. Beloved, don't make the Word to appear to be ineffective by your poor doubt-filled response.

To see the full manifestation of the Word in your life, you must observe and obey the Word. Some are doing half-obedience to the Word and wondering why the Word is not delivering in their lives. Half-obedience is disobedience with the Word. Did you notice that Deuteronomy 28:1 says that if you shall diligently hearken. So, the Word demands diligent obedience. Selah!

#### REMEMBER

The Word is true forever, don't make it appear false by your poor doubt-filled response.

#### CONFESSION

What the Word says is what my outcome must be. I refuse to respond to the Word in ways that make the Word appear to be false or fallible. I am a diligent observer and doer of the Word. Halleluyah!

#### PROPHETIC RELEASE

I command every situation negating the Word in your life to align now in the name of the Lord Yahushua HaMashiach Amen!

That by two immutable things, in which it was impossible for God to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before us:  
Hebrews 6:18 (KJV)

The Word cannot lie. It is impossible for the Word to lie. It is something that cannot happen. If the Word says something, it is better heaven and earth expires than for the Word to fail to come to pass. Matthew 5:18 says, *'For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.'* The surest thing in time and throughout all eternity is Yahweh's Word. It is one thing that you can take with your two eyes closed and still not miss your way or target. It is that sure and even more. The Word has been tried seven times and proved true both in heaven, on earth and in hell. Psalms 12:6 says, *'The words of the Lord are pure words: as silver tried in a furnace of earth, purified seven times.'* We want you to understand how infallible the Word is and that will build trust in the Word that will become your bedrock for unbelievable success with the Lord. The problem is faith. If you can believe the Word, you can become whatever the Word says, no matter how far removed presently from your reality it is. It is impossible for the Word to fail. The Word is the integrity of the LORD YAHWEH. The Word carries in itself the capacity and capability to become whatever it talks about, the only clause is if the person can believe enough to behave in accordance to the demands of the Word. Mark 9:23 says, *'Jesus said unto him, If thou canst believe, all things are possible to him that believeth.'*

The Word impossibility only exists in the mind of the person that has failed to believe the Word. If you believe that if Yahweh is to come down on your situation, there will be instant change and intervention for you. The same effect is obtainable if you can believe the written Word enough to take the steps it

requires of you. The Word can never prove false or seen to be a lie. Beloved, please know that Yahweh and His Word are one. His Word is Him. There is nothing that is superior to the Word in both heaven and on earth. There is no revelation or understanding that stands against the Word, the Bible that stands. It is only the Word that is immutable. No situation can defile the Word. In Genesis 18:10, the Lord visited Abraham and spoke the unthinkable by all human standards. He said *"And he said, I will certainly return unto thee according to the time of life; and, lo, Sarah thy wife shall have a son. And Sarah heard it in the tent door, which was behind him."* Genesis Chapter 19 came and passed and nothing happened. Genesis chapter 20 came and passed and nothing happened. Some would even have started murmuring and saying what a liar the Lord is. But in Genesis Chapter 21, the Lord visited Sarah as He has spoken, He did unto Sarah as He has said.

Whatever He has spoken concerning you, no matter how far removed from your reality, is a possibility. The Word cannot lie. Its immutability has been confirmed seven times. This month, the wonders of the Word shall begin to manifest in your life and situation in the name of the Lord Yahushua HaMashiach

Amen!

**REMEMBER**

It is impossible for the Word to lie.

**CONFESSION**

I am born of the Word and if I am real and true, then the Word is much more. My life and world is based on the Word with divine certainty of success and accomplishment. Halleluyah!

Genesis 4:1-6:8; Matthew 2:1-23

And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

Romans 12:2 (KJV)

In this month of March, we are looking at the theme “Yahweh's Word builds me up and gives me my inheritance As I Exist In Shalom”. We are going to examine how the Word accomplishes the task of building us up. This is important because your inheritance is not in view until you are built up. You only qualify to enter into your inheritance in HaMashiach as you come to full development. The Word builds us up by imparting a mindset to us. When you gave your life to HaMashiach, it was your spirit-man that was born again. Your spirit-man was recreated according to the image of the Son of Yahweh, at new birth. Your soul was not saved then, your body was not saved also. The saving of the soul is a gradual process and involves the active partnership between the believer, the Word and the Holy Spirit. The soul comprises of the mind, the will and the emotions. You must educate your mind/intellect by the Word. You must also confirm your will to the Word and bring your emotions under the influence of the Word and all these are not a day's job. It is a gradual process.

Often what undo the believer is ignorance than the devil.

At new birth, the believer is superior to the devil and all the gates of hell. But the believer's exercise of power is only limited to his/her knowledge of his/her rights and authority in HaMashiach. All the power of heaven, earth and hell is at the believer's disposal but exercising that authority is only according to knowledge. So, the Lord cries in Hosea 4:6, *'My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also*

*forget thy children.'* When you start relating with the Word, it imparts to you a mindset. It is called the Victor's Mindset. It is a mindset that no matter what, you win as long as you act within your rights in the Word.

The Word renews our mind. Re-educating our minds from the perspective of the world to the mind of Christ. The mind of HaMashiach is that mind that conforms to the Word but it is not a gift. It comes by robbing our minds with the Word and over time, impressions of the Spirit set in our minds causing us to behave in agreement with the Word at all times. It is renewing the mind with the Word, discovering the Will of Yahweh in His Word and making His Will your will and conforming your emotions to the Word that saves the soul. This is very crucial. The essence of the new birth is the saving of the soul but that cannot be done without active partnership with the Word and the Holy Spirit. This is exactly what Yahweh wants to communicate in Joshua 1:8. Same thought is expressed in Philippians 2:12. Selah!

#### REMEMBER

The salvation of your soul depends on you renewing your mind with the Word.

Dear Heavenly Father, thank You for Your Word to me today. I ask for the grace to take the reading, studying, meditating and doing of the Word as a matter of life and death so that I can work out my own salvation with fear and trembling in the name of the Lord Yahushua HaMashiach Amen!

## HOW THE WORD BUILDS YOU UP (2): IMPARTS THE SPIRIT OF FAITH

So then faith cometh by hearing, and hearing by the word of God.

Romans 10:17 [KJV]

The Word does not only inform us, it transforms us. It transforms us by imparting the Spirit of Yahweh to us or put another way, the faith of Yahweh. John 6:63 says that the Word is spirit and life. The problem we have is running from the Word. If you can just make the Word your best friend and be diligent to read, study, and meditate, the Word would impart you effortlessly with the faith required to see the Word come to pass in your life. The Word builds us up by imparting us with the spirit of faith. The spirit of faith is the force that compels obedience to the Word of Yahweh. The truth is that it is not just the knowledge of the Word that transforms, it is the response of faith to the Word that transforms. Until you respond to the Word in faith, it would just be like a story to you. But what we are saying today is that faith is not what you scratch your head to get. Faith is automatic with the Word entering your spirit-man. Faith comes by hearing and understanding the Word. Your task is to dedicate yourself to the Word. Know all that we have already discussed about the Word being eternal and infallible. Believe that the Word is Yahweh speaking to you today. Then respond as if the Word is true and see what happens. Faith is not a struggle. Anybody residing on the lane and even the room of the Word will come under the force called faith and that effortlessly.

Finance is an aspect that many people are struggling with daily. But that needs not be your experience because you can live differently by just doing what the Word says about your finances. The first is to honour the Lord with your finance and that starts with the tithe. The tithe is not man made ritual. It is the part of Yahweh in what He has given you. If you are too wise to respect Him with your tithe, you can never be free from life's struggles. Then, also of that honouring the Lord with your finance is your offering (see Malachi 3:8-11). But how can you even know the Will of Yahweh if you are far from the Word? The Word you receive and behave is the Word that transforms you. For you to receive the Word, you must read, study and meditate

on the Word. There is no alternative. Then suddenly your perspective is altered and you begin to take steps in line with the light that you are receiving as you read, study and meditate on the Word and this makes a dimensional paradigm shift in your life.

The Spirit of Faith makes you to start declaring the Word boldly both to yourself and to others. As you study the Word and see that He Himself took your infirmity and bore your sicknesses and that it is a done deal, the spirit of faith causes you to start declaring that "I cannot be sick". Based on the Word that you have received in your spirit-man, the spirit of faith begins to declare that Word both to yourself, the angels and the gates of hell. It is this bold declaration that brings about the triumphs of the Word in your life. That is exactly how it builds you up and delivers your inheritance to you. Shalom!

#### **REMEMBER**

Faith is the result of reading, studying and meditating on the Word.

#### **CONFESSION**

The Word is my source. As I read, study and meditate on the Word, my spirit-man is imparted with the faith of Yahweh that makes me talk and behave in ways that delivers my inheritance in HaMashiach. All Glory be to the Shaddai!

## HOW THE WORD BUILDS YOU UP (3): IMPARTS THE KNOWLEDGE OF HIS WILL

For this cause we also, since the day we heard it, do not cease to pray for you, and to desire that ye might be filled with the knowledge of his will in all wisdom and spiritual understanding;  
Colossians 1:9 [KJV]

The Knowledge of Yahweh's Will in all wisdom and spiritual understanding is the goldmine that when you hit it, your life and world turns around 360 degrees instantly. Coming to the knowledge of His Will in all wisdom and spiritual understanding is so crucial that you should be praying like Apostle Paul both for yourself and especially for your family members to come to this dimension in the Word. The Knowledge of His Will in all Wisdom and spiritual understanding means coming to know the will of Yahweh and being filled with the spiritual understanding to process it as it relates to you and receiving the Wisdom to apply it to your life in order to come into the reality of what it is saying.

Firstly is knowing the Will of Yahweh and the Will of Yahweh is what is in the Word, the Bible. The Bible is the Will of Yahweh for you the believer. The Will defines your inheritance and allotments; that is exactly what the Word does, showing you what belongs to you in HaMashiach and the path to take to take delivery of it. Knowing the Will of Yahweh is critical because, you can only act according to knowledge. But then, knowledge alone is not enough.

The second part, is spiritual understanding. Spiritual understanding implies coming to the grasp of how the knowledge you have just acquired relates to you. It is apprehending what the Lord is saying to you from the knowledge of the Word that you have and it is very critical. You must understand how the knowledge of the Word relates to you and that will impart divine direction. It is called spiritual understanding because it is the illumination of your spirit by the Holy Ghost. The Holy Spirit brings a knowing into your spirit-

man, which becomes the answer to a bogging question or a current situation. This understanding is not a function of mental perspiration. It is a spiritual revelation of the Word.

The third part is wisdom. Having understood how the Word relates to you, Wisdom comes into operation to show you practical steps to take to have what the Word is talking about. Wisdom shows you how to practically apply that Word in your day to day life to receive what the Word talks about. Relating with the Word exposes you to knowledge, understanding and Wisdom and that combination is a winning team any day. So, the Word builds you up by filling you with the knowledge of His Will in all wisdom and spiritual understanding which brings you divine direction upon which when acted on results in victory and outstanding success. The truth is that you can have knowledge, understand how it relates to you but without taking adequate practical steps you will still remain in the same position that you are. Selah!

#### REMEMBER

The Word fills you with the knowledge of His Will.

#### PRAYER

Dear Father, Thank You for Your Word to me today. I ask that you open my spiritual understanding to be lighted by Your Word today in Yahushua's Name Amen!

#### PROPHETIC RELEASE

Be filled with the knowledge of His Will today in the name of the Lord Yahushua HaMashiach Amen!

Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death.

James 1:15 (KJV)

Our opening text looks like a negative scripture but please follow me. This scripture explains what happens with expectation. This scripture is talking about desire/lust. From verse 14 it started saying that every man is tempted when he is drawn away of his own desire/lust and enticed. Then it said that lust/desire when it is conceived, brings forth sin. This is powerful. What you only need to do in this process was to conceive a desire. However, when that process of conception of desire or expectation is finished, it activates chain of reactions and processes that brings about a product. Expectation is defined as belief about (or mental picture of) the future. It is anticipating with confidence of fulfilment of something. The Word shows you the character of Yahweh, the provisions He has made for you, the outcomes of obeying Him and His provisions. All these knowledge deposit an expectation into you and when this expectation is conceived, it brings forth. Proverbs 23:18 says, "For surely there is an end; and thine expectation shall not be cut off." This is the winning ways of the Word. It has the ability to impart expectation that determines manifestation. You can never see manifestation beyond your expectation. It is expectation that sets the limits for divine manifestations in your life. And this is both in the positive and the negative side.

We see in Numbers 14:29 the Lord confirming the negative expectation of some of the children of Israel that declare that they were as grasshoppers before their enemies. Your expectation is expressed by your declarations, for out of the abundance of the heart, the mouth speaks (see Matthew 12:34). Your declaration is a product of your expectation. It is a chain reaction. It all starts with your expectation. If your expectation is negative, you are going to be getting negative outcomes and

the Lord Yahushua will still remain God. But you cannot be in the Word and have negative expectation. The Word imparts to you expectation of the Word. You begin to expect your future according as the Word has revealed. From that heart full of expectation, you begin to make declarations and start experiencing manifestations.

If you don't like the outcome you are seeing in your life today, don't despair. The solution is to stay in the Word and birth Word based expectations. Just as our opening texts states, once that expectation comes alive, go to rest because the process will continue to manifestation. In any area you are losing ground to the devil, sit down with the Word and birth expectation in that area and see how cheap it is to triumph in life. Shalom!

#### REMEMBER

The Word imparts expectation that process to manifestation.

#### CONFESSION

As I see it in the Word, so my life becomes. Nothing but the Word is permitted to be my manifestation and if I see any madness of Satan around me, I take charge by the Word, dislodging everything not in line with the Word. Halleluyah!

#### PROPHETIC RELEASE

Your Word based expectations are released into your life today in the name of the Lord Yahushua HaMashiach Amen!

Thou hast loved righteousness, and hated iniquity?  
therefore God, even thy God, hath anointed thee with  
the oil of gladness above thy fellows.

Hebrews 1:9 (KJV)

By the time we are done with this series, you will come to appreciate why it is practically impossible to live a successful Christian life outside the Word. Sin is one thing that separates humanity from Yahweh. Sin is not an old concept. Whatever the world has become today in terms of evil is a function of the introduction of sin by man. People ask "if there is Yahweh, why is there so much evil in the world?" Sin is the answer. Wherever sin is present, no good thing will ever be present there. Whenever you see sin, there must of necessity be the absence of Yahweh. This is a very serious matter. Yahweh loves humanity but hates sin. Yahweh does not condone sin. Sin is the straw that breaks the camel's back with Yahweh. No matter how close you are to Him, once you start meddling with sin, your time has expired with Him. You have overstayed your welcome, we would say humanly speaking. You are quickly like a leper escorted out of the court like what happened to king Uzziah of Judah in II Chronicles 26:16-23. Beloved, you must understand today that sin is not your friend on all counts. The Lord hates sin. When you stay in the Word in reading, studying and meditation, there is an impartation of the same order of hatred for sin that the Lord has.

It is littered in the Word the injunction to hate evil. Staying in the Word exposes you to the mind of Yahweh about sin. It lets you know how He responds to sin, thereby guiding your own response to the lure of sin. This dimension does not come over night however. You need to stay in the Word until whatsoever that deviates from the Word begins to irritate you. You would come to the point that you can never be comfortable with sin in your life and surely not even in the lives of people

around you. Living in sin or even accommodating sin in your life is surely the fact of lack of knowledge of who your enemy really is. Your greatest enemy is sin. The power and dominion of the devil over you is sin. If you cut off sin from your life, you would see how frail Satan is. Satan's power is your existence without a living relationship with Yahweh. Whenever you take care of sin and Yahweh is actively in partnership with you, then you are in charge in all realms.

Beloved, decide to develop love for the Word which will empower you to stay put in the Word, day in day out. Your struggles with sin and unrighteousness is enough. There is a place in the Word, I desire that you position yourself today and stay free forever. Not everybody is struggling with sin. Not everybody is living with guilty conscience. Don't allow Satan to deceive you that everybody is struggling with one thing or the other. It is not true. There is a position you will maintain in the Word that puts an end eternally to your struggles with sin. Take that position today. Selah!

#### REMEMBER

Staying in the Word imparts you with hatred for sin.

#### PRAYER

Dear Father, thank you for your word to me today. I ask for the grace to stay in the Word until my nature is completely altered and intense hatred for sin is imparted in the name of the Lord Yahushua HaMashiach Amen!

Come, ye children, hearken unto me: I will teach you the fear of the Lord.

Psalms 34:11 (KJV)

The Word teaches us the fear of the Lord. Is it not a wonderful thing that the fear of the Lord can be learnt. That means no one is disadvantaged in life. Just anyone can learn the fear of the Lord and function in the realms of power and glory in their relationship with Yahweh. The Fear of the Lord is reverence for the Lord. It is having a sense of awe for the person, presence and emotions of the Lord. It is living your life in such a way and with the sole priority to please the Lord and bring glory to His holy name. Our relationship with the Father starts with surrendering to the Lordship of the Lord Yahushua HaMashiach. John 14:6 says, *'Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.'* If you have not accepted the Lord Yahushua as Lord and Personal Saviour, then you do not have a relationship with the Father because the scriptures cannot be broken. At the fall of Adam, humanity came short of the glory of Father. It is only in Yahushua that we are reconciled, restored and empowered to fellowship with the Father. Another need to be saved is that at the fall of Adam, humanity acquired the nature of Satan. But at salvation, you become a new creation with the nature of righteousness of the Lord Yahushua. It is this nature of righteousness that makes it possible to be and live holy lives as a new creation. Holiness is the basis of a valid relationship with the Father (see II Timothy 2.19). Having become a new creation in HaMashiach, you must conform your soul and body to this new man in HaMashiach by doing the Word. It is the fear of the Lord that brings about doing the Word.

The Word teaches you what is acceptable with the Lord and what is not. You have lived all your life in the flesh pleasing the flesh and Satan. Then you become a new creation and

became translated into the kingdom of Yahweh's dear son (see Colossians 1:13). Even though your physical address may not have changed, your spiritual address surely have. You are in a new kingdom now as a born again person. There are new rules of living in this kingdom and it is only the Word of Yahweh, the Bible that teaches you that. This new rules of living is called the fear of the Lord or holiness. You have no future in this kingdom outside of the fear of the Lord. Proverbs 14:27 says, '*The fear of the Lord is a fountain of life, to depart from the snares of death.*' That is outside of the fear of the Lord there is no life and living in this kingdom. Your spirit will die outside of the fear of the Lord. Holiness is your ticket to the treasure house of life and good in this kingdom. It is a base standard.

You must strive to remain in the Word in order to remain holy. Selah!

#### REMEMBER

Holiness is the minimum standard to maintain relationship with Yahweh.

For the Lord giveth wisdom: out of his mouth cometh knowledge and understanding.  
Proverbs 2:6 (KJV)

It is practically impossible to function in this kingdom outside the Word of Yahweh. This is because all that makes for real life and godliness are the impartation of the Word. The Word builds us up by giving us Divine Wisdom. Proverbs 4:7 says, *'Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding.'* Wisdom the trait of utilizing knowledge and experience with common sense and insight. It is the ability to apply knowledge or experience or understanding or common sense and insight. It is the quality of being prudent and sensible. There are four kinds of Wisdom according James 3:15-18. The first kind of Wisdom is earthly or natural wisdom. It is the wisdom that we are born with as human being. Even though a child is just born, he/she does not put his/her mother's breast in his/her nose and start sucking, earthly wisdom enables the child to put breast in his/her mouth and to suck. He/she does not need any lecture to get that done. Secondly, we have sensual wisdom. This is the wisdom acquired in the citadel of learning. It is also called intellectual wisdom. It comes through intellectual training and it enhances our social status. Thirdly, we have Devilish wisdom. This is the wisdom of diabolism and the occult. It is destructive in nature and it is used by magicians, witches, wizards and the occult. Then fourthly, we have the Wisdom from above. This is divine Wisdom and comes by interaction with the Word of Yahweh, the Bible.

Our opening text is unequivocal about the source of this Wisdom. It comes from the mouth of the Lord. The Word of Yahweh is the fountain of this Wisdom. Because this Wisdom is from above, it is above all (see John 3:31). Therefore, the wisdom from above is superior to all other kinds of wisdom. Interestingly, this wisdom is traceable and trackable because it is pure, easily

entreated, and full of good fruits, without partiality and hypocrisy (see James 3:17). Thus, it delivers the same way and at the same rate to anyone who engages it; there is no racial discrimination or partiality associated with it. That means, when we operate in divine wisdom, we get the same result and command the same level of dominion regardless of our backgrounds.

If reigning and walking in dominion is your desire, then walking in the Wisdom from above is not an option for you, it is mandatory. Proverbs 8:15-16 says, *'15 By me kings reign, and princes decree justice. 16 By me princes rule, and nobles, even all the judges of the earth.'* This is saying that you cannot reign in your field outside of walking in Divine Wisdom and you cannot even get Divine Wisdom outside of the Word, the Bible. Oh how profound this truth is!

#### REMEMBER

Divine Wisdom comes from the mouth of the Father by His Word.

#### CONFESSION

I am a life student in the school of the Word. As I learn, divine wisdom is imparted to my spirit causing me to reign in life by HaMashiach. There is only one life for me, and it is forward and upward by divine wisdom. Glory to the Father!

Then this Daniel was preferred above the presidents and princes, because an excellent spirit was in him; and the king thought to set him over the whole realm.

Daniel 6:3 (KJV)

Excellence is a talent or quality which is unusually good and so surpasses ordinary standards. Excellence is above par performance or outcome. It is a performance that wows everyone and evokes feelings of awe and admiration. The Word builds us up by imparting excellence into our spirit-man. As you interact with the Word on daily basis, there is a metamorphosis going on in your spirit-man. Our Father is an excellent God and all He does is excellent. There is no single mistake or error in Yahweh. Relating with Him in His Word turns you into that image of excellence. That was the story of Daniel. He was an addict of the Word (see Daniel 9:2). The Word was his meditation even in a strange land. What did the Word make of him? Daniel became a man that exuded excellence like no man's business. Daniel was in power in the reign of four kings in Babylon. At a time, the king preferred Daniel above all other presidents and princes. That is not to say that this Daniel was a captive and a stranger in the land. He was not the son of the soil as we would say in this part of the world. But excellence has a way of breaking protocols. There is no racial discrimination where excellence is at work. Whenever excellence shows up favouritism dies.

Beloved, maybe the next level of your life is just at the mercy of the spirit of excellence. When you encounter this excellent spirit, your life takes a flight to the top most top overnight. It doesn't matter those who are against you or does not want to see you, excellence elevates you even above them overnight. But it takes staying in the Word for you to receive the impartation of the excellent spirit from the Lord. It is only the Lord that is excellent that can impart that grace on you and only

as you stay on his Word. Romans 2:18 says *'And knowest his will, and approvest the things that are more excellent, being instructed out of the law?'* This is saying that you can only approve of the things that are excellent if you are instructed out of the law. The law of the Lord imparts excellence.

Philippians 1:9-10 says, *'9 And this I pray, that your love may abound yet more and more in knowledge and in all judgment? 10 That ye may approve things that are excellent? that ye may be sincere and without offence till the day of Christ?'* Always in scriptures, excellence is a function of knowledge of the Word. You cannot approve things that are excellent unless you abound more and more in knowledge of the Word. It is in this Word baptism that your spirit, soul and body is inundated with knowledge, thereby making you able to approve things that are excellent. Beloved, go for the impartation of the excellent spirit. Shalom!

#### REMEMBER

The excellent spirit is a function of Word-overflow in your spirit.

#### CONFESSION

I am preferred by the operation of the excellent spirit at work in me. I operate above par in all my dealings. When there is hard situation and every other person has failed, by the excellent spirit at work in me solutions are released. Thank You Lord!

## HOW THE WORD BUILDS YOU UP (9): GIVES YOU PEACE

Great peace have they which love thy law: and nothing shall offend them.

Psalms 119:165 (KJV)

There are few things that are as valuable in life as peace. Peace is a stress-free state of security and calmness that comes when there's no fighting or war, everything coexisting in perfect harmony and freedom. Peace is a state where there is no war or fighting within or without you. It is coming to a place of perfect rest and tranquillity in your spirit-man. So many people are at war within. They have the good things of life and live in good places and environment yet there is war within, no peace. The worst case of existence is lack of peace existence. That is the reason for suicide. The worst part of it is that there is nothing physical that can give or guarantee you peace within. Peace within comes first from surrendering your heart to the Lord Yahushua, reconciling with the Father through the Lord Yahushua.

Then that state of peace is established by taking your seat in the Word. When you are in the Word, no devil can offend you, nothing can upset your heart. The world may be in turmoil; your environment may be on fire but within there is absolute peace and tranquillity. Peace is a state of living without a guilty conscience. Peace is a state of living without your heart skipping at the thoughts of things.

Beloved, peace is your portion but it is not a gift that falls on your laps. It is a gift you lambano. Lambano is the Greek word that means to take something and make it your own. How you lambano peace is by staying in the Word, reading, studying and meditating on the Word. II Peter 1:2 says, '*Grace and peace be multiplied unto you through the knowledge of God, and of Jesus our Lord,*' How is peace multiplied to you? Through the knowledge of Yahweh and of the Lord Yahushua. Knowing the Father and His Son multiples peace to you. You are already brought into peace at new birth, but you need a dose of peace

daily to maintain your sanity in this wicked and evil world. How is that daily peace received and multiplied? Through the knowledge of the Word. This is very crucial. There are Christians today that are at war within, because they are too busy for the Word and there is no other medium to receive daily peace apart from the Word.

Cutting yourself from the Word is cutting yourself from peace. It takes diligence in the Word to be found in HaMashiach in peace (see II Peter 3:14). Diligence implies persevering determination to perform a task. It means conscientiousness in paying proper attention to a task; giving the degree of care required in a given situation. Diligence in the Word is the way to peace. Never forget that! Shalom!

#### REMEMBER

It takes diligence in the Word to walk in peace daily.

Sweet Heavenly Father, thank You for Your word to me today. I ask for the grace to be diligent in the Word as a lifestyle from today in the name of the Lord Yahushua HaMashiach Amen!

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. II Timothy 2:15 (KJV)

Beginning from today, we are going to examine how we can encounter the Word. With all we have seen the Word can do for us, unless we connect with the Word, we cannot enjoy the benefits. So how can we experience the Word and have the Word impart and metamorphose us? As we begin to enfold how we can do this, believe Yahweh to be a doer and not a hearer only. Decide to do and plan to do. Set Word objectives of what you must be covering in the light of what we are going to be showing you in a couple of days to come. It is He that does the Word that is blessed in his life (see James 1:22-25). The first way we encounter the Word is to hear it. Romans 10:17 says, *'So then faith cometh by hearing, and hearing by the word of God.'* Hearing the Word is by reading and listening. When you read, you are engaging your eyes and ears at the same time. This is important because what you see, makes impressions on your mind. The ear and the eyes are major channels into your mind and consequently your spirit-man. Consider this instruction from the Lord through Moses in Deuteronomy 11:19, *'And ye shall teach them your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, when thou liest down, and when thou risest up.'* This is saying let the ear channel of your children be saturated with the Word practically all the time.

What reading does for you is that it floods your eyes and ears with the Word. What your eyes sees and your ears hears is what remains on your mind and that can be effortless. The work you need to do is to expose something to your eyes and ears, the other reaction of it remaining on your mind is almost involuntary. Even when you don't plan to think about it, the mind just goes there because it is what it sees and hears that it cogitates upon.

Without reading and listening to the Word being read out like audio Bible as we have them in this age, you are cutting off yourself from having the Word make impression of the Spirit on your spirit-man. There is Igbo adage that says “an ocean does not drown a person that it did not see his/her legs”. The Word is powerless in your life unless it comes into contact with your mind and spirit-man and that for a long while.

Beloved, Satan knows this fact, therefore, he makes sure that you don't make out time to read and listen to the Word. Now, you have to seat down and make a Word reading schedule. If you don't do it, then it would not be done. You must set your Word reading goals for each day and then you can measure your progress. Why is setting Word targets important? Just the way you cannot measure performance against nothing. There must be a budgeting before you can measure performance or the actual against the budgeted. Same applies in your Word life. If you don't have a target of what you must cover each day, you are not going to have anything to measure your performance against. Selah!

#### REMEMBER

Set daily Word reading targets and ensure you are not failing.

#### CONFESSION

The Word is the food of my spirit and on daily basis, I feed my spirit-man so fat deliberately. I do not take chances on taking care of my spirit-man. I am intentional about my spiritual health.

Thank You Lord!

Meditate upon these things? give thyself wholly to them? that thy profiting may appear to all.

I Timothy 4:15 (KJV)

To meditate means to mutter; to speak to yourself in a low tone over a subject for over a period of time. Reading the Word is likened to eating food. The Word is spiritual food for the spirit-man. But what you eat doesn't profit your body until it is digested and assimilated. Meditation is spiritual digestion and assimilation of the Word into your spirit-man. Joshua 1:8 says, *'This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.'*

Reading the Word is putting it into your mouth but beloved, don't stop there, go further to speak that Word to yourself. To meditate actually means to murmur. Murmuring is a negative word because it is dwelling on the things that are not working in your life. But the process of murmuring is the same with meditation, the only difference is on what you are dwelling on in the process. When you are dwelling on the Word, murmuring it to yourself, it is called scriptural meditation. Meditation is not a gift, it is the result of the overflow of the Word in your spirit-man.

Most times, meditation is involuntary. Other times, you must be intentional on what you are meditating upon. But I want you to see that when you flood your mind intensely with the Word, meditation becomes involuntary. At all times, your mind is on the Word. This is the level and dimension I desire you come into.

Do you notice that Joshua 1:8 says that we should mediate on the Word day and night? The day is a 12 hour period and the night is a 12 hour period. What does that tell you? Meditation is a 24 hours job. That is why I said that you must come to that point of meditating on the Word involuntarily. You

must come to that point that even when you are not actively dwelling on the Word, your mind is on it by the virtue of the overflow and flooding of the Word day in and out. That is the only way to comply with Joshua 1:8 and until you comply with that scripture you cannot get what it promised – *for then you shall make your way prosperous and then you shall have good success*. When we were growing up in the faith, we heard that for you to maintain spiritual health, you must be consuming at least three chapters of the scriptures daily. That looked big then. But can you imagine consuming about 20 to 30 chapters daily and some times up to 50? Beloved, that is exactly our reality now.

Can you imagine channelling the time you use on social media on reading the Word? Can you imagine cutting off unnecessary visitation to make more time to read the Word? Can you take skipping one or two meals just to concentrate on the Word? Beloved, wake up and take responsibility. There is no free lunch even in free town. Life is gabbage in, gabbage out. Selah!

#### REMEMBER

Meditation is murmuring the Word to yourself.

#### CONFESSION

There is something in the Word for me and I engage my mind to dig it out on daily basis as I meditate on the Word. The juice of the Word is pressed out for the nourishment of my spirit-man. I am grateful Lord!

The grace of the Lord Jesus Christ, and the love of God,  
and the communion of the Holy Ghost, be with you all.

Amen.

II Corinthians 13:14 (KJV)

Whenever I think of the term “Quiet Time” the Greek work “koinonia” comes to mind. Koinonia is the Greek work translated communion in our opening text. Literally koinonia means participation. Personally or socially, koinonia means intercourse, that is the highest level of communication between two people. Quiet Time is a time of communion or intercourse with the Holy Spirit, the Word and the Father all in the name of the Lord Yahushua HaMashiach. Your calling in HaMashiach, beloved, is a calling into the koinonia of the God-kind. I Corinthians 1:9 says, ‘God is faithful, by whom ye were called unto the fellowship of his Son Jesus Christ our Lord.’ The quiet-time is a specific time in which we seek the face of the Lord, to know his friendship personally and to worship and understand him better. Just like the term implies, Quiet-time is a time and place of quietness, where you can maintain some level of tranquillity to concentrate on the Presence of the Lord and on the communion of this God-kind. Quiet time, also called heart-to-heart time, or one-on-one time with the Father, is a regular individual session of Christian spiritual activities, such as prayer, private meditation, contemplation, worship, or study of the Bible. Quiet-time is the time of you coming to yourself both spirit, soul and body and consciously reaching out for the Person, Presence and Word of the Lord. That is the mystery of recovery of destiny as it happened to the man we have come to know as the prodigal son in Luke 15:11-32. Luke 15:17 says, “*And when he came to himself, he said,*” that is his destiny could not be recovered until he sat down in probably a quiet-time session.

There is nothing you cannot find solution to in a quiet-time with the Lord. The most precious moment of the day is that

time you sit before the Lord in absolute quietness to read, study, meditate, worship or just maintaining some quietness. It deepens your relationship with the Lord like nothing else can. Maintaining this time daily will bring a revolution to your relationship with the Lord. Quiet-time is a great way to encounter the Word and have the Word make lasting impressions in your spirit-man.

Just like all the other ways to encounter the Word, Quiet-time must be a deliberate exercise. It is a time you must schedule and keep with the Lord. King David scheduled his own quiet-time at the middle of the night. Psalms 119:62 says, *'At midnight I will rise to give thanks unto thee because of thy righteous judgments.'* Do you wonder how King David managed to emerge a king, a priest, a prophet, a psalmist, a singer, a songwriter, an instrumentalist, an inventor of musical instruments, etc.? He was a product of a solid quiet-time with the Lord. Schedule your quiet-time right away and make a covenant with the Lord to keep it. Shalom!

#### REMEMBER

Quiet-time is a specific time of quietness for personal intercourse with the Lord.

#### CONFESSION

I love you Lord and I cherish our time together. There is nothing that can substitute my time with you as you teach me Your Word and lead me in the path I should go. Thank You Lord!

They that tarry long at the wine; they that go to seek mixed wine.

Proverbs 23:30 (KJV)

No matter how light a person is, no one gets intoxicated with one cup of wine. Conversely, no matter how hard a person is, tarrying long at the wine will pass even the most hard person out. That is true with the Word. Just skipping a few pages, won't achieve the result we are describing this month. It is tarrying long with the Word that brings about saturation. There is what is called saturation. It is the act of soaking thoroughly with a liquid.

You cannot encounter the Word with a measure that cannot even satisfy you. Before you talk of saturation, then you have gone beyond satisfaction. But you are still in control at the level of satisfaction. We are talking of the level where you are no more in control. We are saying, stay long with the Word until the Word takes a hold of you and begins to control you and your actions. We are saying that the Word cannot saturate you in the skimpy way that you are handling the Word now. The principle of intoxication is staying long at the wine of the Word. Isaiah 5:11 confirms that it takes staying long at wine to be inflamed therewith, *"Woe unto them that rise up early in the morning, that they may follow strong drink; that continue until night, till wine inflame them!"*

How long is long enough in the Word. Joshua 1:8 recommends a 24-hour meditation schedule. Isaiah 5:11 we saw above recommends rising up early in the morning and continuing until night. If people rise up early to go after wine and continue till night, beloved, should we not much more stay on this eternal wine of the Word that drive you into success and prosperity in life and for all eternity? Read the Word at every slightest opportunity you have and then continue to meditate on it for the other times. That is how to fulfill Joshua 1:8. Don't ever catch yourself ruminating on things that are not Word-based.

It is the same thing Apostle was saying in I Timothy 4:15 when he said, *"Meditate upon these things? give thyself wholly to them? that thy profiting may appear to all."* Giving yourself wholly to the Word is the only time, your profiting can appear to all. There is profiting in the Word for you but tarrying long is the only way to pressure the juice of the Word to flow both into your spirit-man and through you bless your generation. Beloved, give yourself wholly to the Word. I Timothy 4:16 says *"Take heed unto thyself, and unto the doctrine? continue in them: for in doing this thou shalt both save thyself, and them that hear thee."* Continue in them to guarantee your salvation. Shalom!

#### REMEMBER

Staying long with the Word releases the wine of the Word into your spirit-man.

Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself: but whatsoever he shall hear, that shall he speak: and he will shew you things to come.

John 16:13 (KJV)

The Bible is not a newspaper or magazine. II Peter 1:21 says, *'For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost.'* The Bible is the product of the Holy Ghost. The Bible is the collection of the inspiration of the Holy Ghost. This is why it is expedient to engage the author of the Bible in trying to understand and apply what He inspired. It is the moving of the Holy Spirit on the lives of holy men of Yahweh that resulted in the Bible. That is to say that there is no other person that knows the Bible like the author, the blessed Holy Spirit. The Holy Spirit is our teacher and guide into the deep things of the Father. He guides us into all truth. The Word of Yahweh is the truth and it takes the Holy Spirit to come into this truth. With the Holy Spirit, the Bible is new everyday because He keeps expounding the truth and bringing out new things from same chapter and verse that you have been reading everyday.

Did you notice the word "guide" in our opening text? The word translated guide is the Greek word "hodgeo" meaning to show the way; that is to teach. It also means to lead as in a blind person to the right path. The Bible is like our promised land. You just entered into the promised land at new birth. You need a guide to show you around. The Holy Spirit is that guide that shows you around the Bible because you are blind without Him. There is a voice behind every verse of scripture but you can never hear it on your own because that voice is the voice of the Holy Spirit. It takes the Holy Spirit teaching you for you to hear that voice that will show you what to do and how the verse you are reading relate to and apply to you.

John 14:26 expressly says, *'But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.'* The Holy Spirit teaches you all things and also brings all things to your remembrance. You cannot do without the person of the Holy Spirit in your quest to know the Word of Yahweh. He is the author and the teacher. The Holy Spirit can teach you how to do your business from the Word. He can teach you how to climb to the top of your career from the pages of scriptures and as you apply the wisdom he imparts, people begin to wonder at you. It would look like you are a super intelligent person but you are only a good student of the Holy Spirit. You engage the Holy Spirit by speaking in tongues and by asking Him in prayer to come and teach you the Word. Shalom!

#### REMEMBER

You engage the Holy Spirit by asking Him to teach you the Word and by speaking in the tongues of the Spirit.

#### CONFESSION

I am not a super intelligent person. I am only a good student of the Blessed Holy Spirit. Everything I know now is a function of His tutelage. I shall continue to engage Him. Glory be Yahweh!

Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.

Hebrews 11:3 (KJV)

In Genesis 1:3, 6, 9, 11, 14, 17, 20, we saw Yahweh speaking the Word and the result is the world that we see today. Yahweh's Word is creative. Whatever He calls forth comes into being. John 1:1-3 lets us know that *"1 In the beginning was the Word, and the Word was with God, and the Word was God. 2 The same was in the beginning with God. 3 All things were made by him? and without him was not any thing made that was made."* By the creative force of the Word, the universe as we see it today was brought forth. All things were made by the Word and they are being sustained by the Word. Hebrews 1:3 (Amp) says *'upholding and maintaining and guiding and propelling the universe by His mighty word of power.'* The mighty Word of His power that created all things is the same Word that is upholding, maintaining, guiding and propelling the universe day in day out. The Word of Yahweh is more powerful than a nuclear reactor. There is no nuclear reactor that can propel the universe for over 13.8 billion years now. The creative Word of Yahweh perfectly and excellently placed everything in such a position that it has never needed an adjustment from the very time the Word spoke them into existence.

Then the Word manifested and dwelt among people. John 1:14 says, *'And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.'* As the Word made flesh Yahushua started manifesting, He started speaking to creation and they obey Him. With faith filled words Jesus calmed the raging sea (see Mark 4:39). With faith filled words Jesus raised the widow's son from Nain (see Luke 7:11-16). With faith filled words Jesus called Lazarus from the tomb (see John 11). Jesus

spoke creative words to the man with the withered hand (see Matthew 12:10-13). Jesus spoke healthy words to the woman with the spirit of infirmity (see Luke 13;10-13). To the paralytic Jesus' words were, *"Take up thy bed"* (see Matthew 9:1-8). In Matthew 8:5-13, the centurion knowing the authority and power of Jesus' words proclaimed, *"Speak the Word only and my servant shall be healed"*.

Do you know that when you take the Word in your mouth as a new creation, it has the same effect as though it is in the mouth of Yahushua. As the Father had sent Yahushua, so also has Lord Yahushua sent you (see John 20:21). You are the Yahushua walking on earth today. The Word on your mouth is the creative Word of Yahweh to produce same effect. Now, go ahead and begin declaring the Word boldly and come into the creative dimension of the Word. Shalom!

#### REMEMBER

The creative power of Yahweh's Word is same today in the mouth of the believer.

#### CONFESSION

As I speak the Word, the creative power of Yahweh is manifested both in my life and in the lives of the people in my world. I am actively reigning and ruling by the creative Word of Yahweh. Am grateful Lord!

For they are life unto those that find them, and health to all their flesh.

Proverbs 4:22 (KJV)

The Word of Yahweh produces cure. The Hebrew word translated health in our opening text is 'marpe' meaning a medicine, remedy or healing. From Proverbs 4:20 we see that it was Yahweh's Word that brings about this medicine to all their flesh. When you find the Word, you have found medicine. The Word brings cure to anywhere it arrives to. The Word is like the river in Ezekiel 47:9, "*And it shall come to pass, that every thing that liveth, which moveth, whithersoever the rivers shall come, shall live: and there shall be a very great multitude of fish, because these waters shall come thither: for they shall be healed; and every thing shall live whither the river cometh.*" The Word became flesh and dwelt among us in the person of Yahushua. The Lord Yahushua HaMashiach is also known as our Great Physician and the means through which He brings His cure is through His Word. Whatever he spoke to received life. Finding the Word and applying it to yourself is a guarantee for cure because its medicine does not fail. This Great Physician through the Word has preventive medicine. These are set of instructions from the Word that if adhered to, would cause you to walk in divine health all the days of your life. Preventive medicine is how the Lord keeps your body from getting sick in the first place. In preventive medicine, the Lord Yahushua exposes you to the knowledge that will help you maintain your body which is the temple of the Holy Spirit. Most people are sick today not because of the devil but because of ignorance of what to eat and not to eat. To some the cream they are applying in their body has the capacity to cause them cancer tomorrow. Cases of diabetes is almost apart from where it is hereditary a function of what you put into your mouth in terms of food and drinks. Hosea 4:6 says that my people are destroyed for lack of knowledge. As a new

creation in HaMashiach, Satan has no power and authority over your health but ignorance can undo you. So avail yourself of the information the Great Physician by the Holy Spirit living in you is exposing you to.

There are basically two curative therapies in the Word. The first one is the balm in Gilead, the anointing oil. The anointing oil is the balm of the Great Physician. We saw the Lord Yahushua sending His disciples out in Mark 6:7. In Mark 6:13 when they returned, this was their testimony, 'And they cast out many devils, and anointed with oil many that were sick, and healed them.' It was obviously the person that sent them that gave them the anointing oil. Also James 5:14 instructed to anoint anyone that is sick.

The second curative therapy of the Great Physician is the communion table. John 5:57 says, '*As the living Father hath sent me, and I live by the Father: so he that eateth me, even he shall live by me.*' When you partake of the communion you, you come into contact with life that terminates any agents of death. Take advantage of the Word today and live free.

#### REMEMBER

The Word is medicine to those that find it.

For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.

Hebrews 4:12 (KJV)

When we say that the Word is surgical, we mean to say that the Word has the power to open up your spirit, soul and body and stitch, repair or replace whatever is missing, damaged, or failing. The Word can cut open your spirit, soul and body. That is exactly this surgical dimension that our opening text is speaking about. The Word of Yahweh is sharper than any two-edged sword, piercing to the dividing asunder of the soul and spirit and of the joints and marrow and is a discerner of the thoughts and intents of the heart. The Word can cut your body open and remove cancer cell without physically cutting you open but when you go to the doctors or laboratory, they would confirm that you don't have any cancer any more. Beloved, with the Word in your mouth you can cut off sickness, disease or infection from your body. The Word of Yahweh in your mouth in the name of the Lord Yahushua is a surgical knife that can cut off any pain harassing your life. As a Pastor, this is the way I deal with satanic affliction in the life of the people. I just lay hands on the person and I cut off the hold of that devil in the life of the person in the name of the Lord Yahushua and it is settled.

The surgical operation of the Word is also a discerner of the thoughts and intents of the heart. You would hear the Lord Yahushua answering a person after discerning what that person was saying in his heart that he didn't even alter. John 7:39 says, *'Now when the Pharisee which had bidden him saw it, he spake within himself, saying, This man, if he were a prophet, would have known who and what manner of woman this is that toucheth him: for she is a sinner.'* This man Simon the Pharisee that invited

the Lord to dine in his house spoke within himself, but the surgical Word in the Lord Yahushua was about to cut in and discern it (see John 7:40-50). The Word can make you so sharp that you can discern your environment and even the thoughts of others. This helps you not to be a victim of wicked and unreasonable people who speak peace to you but war is in their heart (see Psalms 28:3). Someone can be telling you of an opportunity if the Word is surgically operating in you, you can dissect in the realm of the spirit what the person is saying if it is true or false.

The Word penetrates into the spirit and soul and can help you cut off any form of addiction to any substance. Anything that appears indelible in your spirit or soul can be cut off by the surgical power of the Word. Sit on the Word until habits and deep seated unscriptural convictions are cut off by the surgical operation of the Word.

#### REMEMBER

The Word is a very sharp surgical knife that can handle spirit, soul and body operations.

We have also a more sure word of prophecy? whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts:

II Peter 1:19 (KJV)

The Word of Yahweh is prophetic. This means that the Word foretells the events of the future. We have the glimpse of the end by the Word of the Lord. The Word of the Lord speaks to our future and to our moments. Until you are in the Word, you would not have idea of what the future looks like. Everything happening today is already prophesied in the Word. We know that the Word does not fail because what it foretold of old had come to pass, so what it foretold of the end shall come to pass. Anybody that refuses to take warning that the Word has already given has him/herself to blame. The Word shows you the picture of your future. When you come into terms with that, then you will begin to walk in paths preordained for you. Romans 8:29 says, *'For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren.'* Even your salvation is a function of divine foreknowledge. It is because you were marked for salvation that irrespective of your past wickedness, somehow, salvation found you and when you heard the Word, you believed.

We must take heed to the Word of Yahweh because not doing so is behaving like Esau who despised his birthright (see Hebrews 12:16). The Word is our light into the future, we are admonished in our opening text to take heed to it. There is a prophetic Word concerning your life in the Word, you must discover it, connect with it and run with it. Habakkuk 2:2 told us to run with the vision. The Word is the vision of our future already written down by the Lord, our job is to discover and run with it. For instance, when you were born again, you arrived in spiritual mount Zion. Isaiah 33:24 says, *'And the inhabitant shall*

*not say, I am sick: the people that dwell therein shall be forgiven their iniquity.'* Hebrews 12:22 says, *'But ye are come unto mount Zion, and unto the city of the living God, the heavenly Jerusalem, and to an innumerable company of angels,'* In Zion where you now spiritually reside, no inhabitant says "I am sick." That should settle your future without sickness and pain. The prophetic Word says that you shall not say, you are sick.

That is how the prophetic scriptures settles our moments and our future. In this moment, you are not permitted to be sick because you have come unto mount Zion, and in the future, when you finally starts living and reigning in the millennium from the physical mount Zion with the Lord Yahushua. Same is application in all other areas of your life. In Deuteronomy 28:1-13, the Word prophetically placed you above all the nations of the earth, as you hearken and obey the Lord, He lifts you on the top. That means you are not permitted to be under in life; existing in one corner of the earth; obscure and without visibility to the nations of the earth. The prophetic Word has spoken concerning your future. As you read and discover what is written about you, you begin to take your place on the altar of prayer to enforce the will. That is how it works.

And when he sowed, some seeds fell by the way side,  
and the fowls came and devoured them up:

Matthew 13:4 (KJV)

We shall start to examine the things that stop us from accessing, receiving and walking in the light of the Word. The Lord Yahushua told a parable in the book of Matthew chapter 13 of a sower that went to the field to sow seeds. In interpreting that parable to His disciples, we saw that the seed is the Word of Yahweh (see Luke 8:11). The field is the world. As you hear the Word of the Lord by reading, studying or listening, it is likened to a sower sowing the seed into your heart. Until the seed germinates, grows and bears fruit, it has not achieved the purpose of the sower. The fruits of the Spirit, the fruits of a changed life and the fruit of complete obedience to the Word is what we call the Word building you up and the result is that you enter into your inheritance in HaMashiach. But what is the cause why so many people miss the Word? Let us examine what the Lord Yahushua explained in Matthew 13:19, *'When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed by the way side.'* Some seeds fail by the wayside. The wayside is the heart that hears the Word but does not understand it. Let us understand that it is same Word that is being sown, the variance is the ground. So whose fault was it that this ground never understood the Word? It was the fault of the ground. These are the set of people that never heed the Word. They never pay attention to the Word. They never take a hold of it. In the first place, the wayside is not meant to be sown so existing on the wayside is planning ab initio to fail with the Word. They come before God as his people come, and sit before Him as his people sit; but it is merely for fashion-sake, to see and be seen; they mind not what is said. It comes in at one ear and goes out at the other, and

makes no impression.

Because of this set of people's nonchalance with the Word, they become easy prey to the wicked one. Such mindless, careless, trifling hearers are an easy prey to Satan; who, as he is the great murderer of souls, so he is the great thief of the Word, and will be sure to rob us of the word, if we take not care to keep it: as the birds pick up the seed that falls on the ground that is neither ploughed before nor harrowed after. If we break not up the fallow ground, by preparing our hearts for the word, and humbling them to it, and engaging our own attention; and if we cover not the seed afterwards, by meditation and prayer; if we give not a more earnest heed to the things which we have heard, we are as the highway ground. Note, the devil is a sworn enemy to our profiting by the word of God; and none do more befriend his design than heedless hearers, who are thinking of something else, when they should be thinking of the things that belong to their peace. Selah!

#### REMEMBER

Wayside hearers are those who have not prepared their hearts for the Word, hence do not understand it.

Some fell upon stony places, where they had not much earth: and forthwith they sprung up, because they had no deepness of earth:  
Matthew 13:5 (KJV)

Some seeds fell upon stony places, which represents the case of hearers that go further than the wayside hearers, who receive some good impressions of the word, but they are not lasting. It is possible we may be a great deal better than some others, and yet not be so good as we should be; we may go beyond our neighbours, and yet come short of heaven. How far did they stony heart go? Firstly, they hear the word; they turn neither their backs upon it, nor a deaf ear to it. Note, hearing the word, though ever so frequently, ever so gravely, if we rest in that, will never bring us to heaven. Secondly, they are quick in hearing, swift to hear, he anon receiveth it, he is ready to receive it, forthwith it sprung up (vs. 5), it sooner appeared above ground than that which was sown in the good soil. Note, Hypocrites often get the start of true Christians in the shows of profession, and are often too hot to hold. He receiveth it straightway, without trying it; swallows it without chewing, and then there can never be a good digestion. Those are most likely to hold fast that which is good, that prove all things, (see 1 Thess. 5:21). Thirdly, they receive it with joy. Note, There are many that are very glad to hear a good sermon, that yet do not profit by it; they may be pleased with the word, and yet not changed and ruled by it. Fourthly, they endure for awhile, like a violent motion, which continues as long as the impression of the force remains, but ceases when that has spent itself. Note, Many endure for awhile, that do not endure to the end, (see Matt 10:22); they did run well, but something hindered them, (see Gal. 5:7).

How did this stony heart fell away, so that no fruit was brought to perfection; no more than the corn, that having no

depth of earth from which to draw moisture, is scorched and withered by the heat of the sun? Firstly, they have no root in themselves, no settled, fixed principles in their judgments, no firm resolution in their wills, nor any rooted habits in their affections: nothing firm that will be either the sap or the strength of their profession. Note, Where there is no principle, though there maybe a profession, we cannot expect perseverance. Those who have no root will endure but awhile. Secondly, times of trial come, and then they come to nothing. When tribulation and persecution arise because of the word, he is offended; it is a stumbling-block in his way which he cannot get over, and so he flies off, and this is all his profession comes to. Note, When trying times come, those who have no root are soon offended; hence we read of the offence of the cross, (see Gal. 5:11).

Observe, Persecution is represented in the parable by the scorching sun, (vs. 6); the same sun which warms and cherishes that which was well rooted, withers and burns up that which wanted root. As the word of Christ, so the cross of Christ, is to some a savour of life unto life, to others a savour of death unto death: the same tribulation which drives some to apostasy and ruin, works for others a far more exceeding and eternal weight of glory. Trials which shake some, confirm others, (see Phil. 1:12). Observe how soon they fall away, by and by; as soon rotten as they were ripe; a profession taken up without consideration is commonly let fall without it: "Lightly come, lightly go." Selah!

**REMEMBER**

The Stony heart fails to get root in him/herself.

**CONFESSION**

The Word is my source. I am a good ground that produces a 100 fold. I do meditate on the Word thereby firmly rooted and endures to the end. Halleluyah!

Numbers 33:50-36:13; John 5:1-30

And some fell among thorns? and the thorns sprung up,  
and choked them:  
Matthew 13:7 (KJV)

Some seeds fell among thorns (which are a good guard to the corn when they are in the barn, but a bad inmate when they are in the field). 'And the thorns sprung up,' which intimates that they did not appear, or but little, when the corn was sown, but afterwards they proved choking to it, (vs. 7). The thorny heart went further than the former, the wayside heart and the stony heart, for it had root; and it represents the condition of those who do not quite cast off their profession, and yet come short of any saving benefit by it; the good they gain by the word, being insensibly overcome and overborne by the things of the world. Prosperity destroys the Word in the heart, as much as persecution does; and more dangerously, because more silently. The stones spoiled the root, the thorns spoil the fruit. Now what are these choking thorns?

First, They represent the cares of this world. Care for another world would quicken the springing of this seed, but care for this world chokes it. Worldly cares are fitly compared to thorns, for they came in with sin, and are a fruit of the curse; they are good in their place to stop a gap, but a man must be well armed that deals much in them (see 2 Sam. 23:6, 7); they are entangling, vexing, scratching, and their end is to be burned, (see Heb. 6:8). These thorns choke the good seed. Note, Worldly cares are great hindrances to our profiting by the word of Yahweh, and our proficiency in the faith. They eat up that vigour of soul which should be spent in divine things; divert us from duty, distract us in duty, and do us most mischief of all afterwards; quenching the sparks of good affections, and bursting the cords of good resolutions; those who are careful and cumbered about many things, commonly neglect the one thing needful (see Luke 10:42).

Secondly, They represent the deceitfulness of riches. Those who, by their care and industry, have raised estates, and so the danger that arises from care seems to be over, and they continue hearers of the word, yet are still in a snare (see Jer. 5:4, 5); it is hard for those that are rich to enter into the kingdom of heaven (see Matthew 19:23): they rely upon riches, and take an inordinate complacency in riches; and this chokes the Word as much as care did. Observe, It is not so much riches, as the deceitfulness of riches, that does the mischief: now they cannot be said to be deceitful to us unless we put our confidence in them, and raise our expectations from them, and then it is that they choke the good seed. Selah!

#### REMEMBER

The thorny heart is choked to death by the cares of this world and the deceitfulness of riches.

Take heed, brethren, lest there be in any of you an evil heart of unbelief, in departing from the living God.

Hebrews 3:12 (KJV)

Unbelief can hinder your access to the Word. Unbelief is an evil heart. Every release from the Lord is on the basis that you believe. If you believe no evidence is needed; if you don't believe no evidence is sufficient. Unbelief places you where there is no other evidence that can satisfy your curiosity. Unbelief makes Yahweh a liar before you. That is why it's evil. Unbelief is a great sin, it vitiates the heart of man. If faith is the only basis and link to connect with Yahweh, then you are eternally disconnected from the life of Yahweh in unbelief. The Word will become to you the words of a tail that has no relationship with reality. Evil heart of unbelief leads you to depart from the living Elohim and His Word. This kind of unbelief that hinder us from the Word is not the kind of unbelief that we see in Psalms 14:1, *'The fool hath said in his heart, There is no God. They are corrupt, they have done abominable works, there is none that doeth good.'* This kind of unbelief do believe that there is God but that is all there is to his faith. This evil heart of unbelief does not take Yahweh at His Word. The evidence of faith in the Word is action. When you do not act in line with the Word, no matter what you are saying, you do not believe. In time, your evil heart of unbelief will cause you to depart from the living God.

How does evil heart of unbelief lead to departing from the living God? Yahweh, the living God only responds to faith. Faith is believing and acting on the Word. When you don't believe the Word, you won't act on it. Because you won't act on it, you won't have a response from Yahweh. Over time you are going to get weary and start looking for solutions from other means. This will lead you to depart from the living God. This is why unbelief will finally give you an evil heart. Unbelief cuts you off from the living Word and short-circuits the eternal life in you.

You cannot afford the cost of the evil heart of unbelief. Its cost is eternal separation from the Lord Yahushua.

Make a choice today to believe the Word and show that you believe by behaving same. Making that choice is crucial because believing is a choice. It is a choice you make to respond in obedience to the Word as you hear it. Having made your choice to believe the Word, go for a word bath with a very immersive Word programme. This is because faith comes by hearing and that by the Word of Yahweh. The Word will help you overcome fear which is the basis of all unbelief. The Word will also help you understand the love of Yahweh for you which will empower your faith.

#### REMEMBER

Evil heart of unbelief will lead to forsaking the living God and being eternally separated from Him.

#### CONFESSION

I am born of the Word. The Word is my source. I have no dealing with unbelief because the Word is my daily meditation. I flourish as I do the Word. Halleluyah!

#### PROPHETIC RELEASE

That evil heart of unbelief is destroyed today in your life in the name of the Lord Yahushua HaMashiach Amen!

And he did that which was right in the sight of the Lord,  
but not with a perfect heart.

II Chronicles 25:2 (KJV)

Half-heartedness is a state of feeling or showing little interest or enthusiasm. This is a state where you are not excited by the Word and that shows in not having enthusiasm for it. Remember that we had said earlier that it takes staying long in the Word to encounter the deep things of the Word that makes you come into the dimension of the Word that delivers to you your inheritance. But where there is lack of enthusiasm, there is not going to be that energy to stay long in the Word. A half-hearted submission to the Word is not going to be able to access the Word because of lack of interest. Yahweh does not force a relationship with us. Relationship with Him is a function of whosoever is interested. Psalms 122:1 says, *'I was glad when they said unto me, Let us go into the house of the Lord.'* It is your interest that drives you to seeking to know the Lord. What is the problem with the half-hearted submission? It is its lack of interest in the Word of the Lord. The drive to know the Lord and His Word is not existing in the half-hearted person. Any encouragement you seem to be giving to the person appears as if you are dragging him/her against his/her will. All we are trying to show today is that this kind of half-hearted submission is a hindrance to accessing the Word and when you can't access the Word, it can't build you up and as long as you are not built up, you cannot be entrusted with your inheritance. For *"1 Now I say, That the heir, as long as he is a child, differeth nothing from a servant, though he be lord of all? 2 But is under tutors and governors until the time appointed of the father."* (Galatians 4:1-2).

You must strive to kill every trace of nonchalance to the Word. This is why we engage in consecrational fast to activate the fire of the Word in our hearts. Without periodic

consecrational fasting, the heart may relapse to that mode of no enthusiasm for the Word. But as you fast weekly, the fire is rekindled for the passion of the Word in your soul. Periodic fasting as a Christian is non-negotiable. Matthew 6:16 says, *'Moreover when ye fast, be not, as the hypocrites, of a sad countenance: ...'* Fasting is a matter of when and not if. To maintain the glow of the Spirit in your Christian work, you must be fasting at least once every week. Too much food suffocates the spirit-man. There is nothing that kills the spirit-man faster than food all the time.

Another way to destroy half-hearted submission to the Word is to know and understand what life in the Word affords you. Knowledge drives interest. When you know what is in something for you, the enthusiasm to go all out for that thing is activated. We have already discussed what the Word does for you to build you up and to give you your own inheritance among them that are sanctified (see Acts 20:32). If obtaining your inheritance is your desire then life in the Word is a must for you and that desire and knowledge drives you into the Word and destroys half-hearted submission. Shalom!

#### REMEMBER

Half-hearted submission eats up your interest and enthusiasm for the Word.

Beloved Father, I thank you for your word to me today. I receive grace to undertake periodic consecrational fasts in order to keep my spirit on fire for the Word in the name of the Lord Yahushua HaMashiach Amen!

And now, brethren, I commend you to God, and to the word of his grace, which is able to build you up, and to give you an inheritance among all them which are sanctified.

Acts 20:32 (KJV)

In this kingdom, it takes maturing into sonship to enter into your inheritance. Isaiah 9:6 says, *'For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.'* You are born a child when you are born again. But it takes the training of the Word to come into sonship and until you come to sonship, you don't enter into rulership. Romans 8:19 says, *'For the earnest expectation of the creature waiteth for the manifestation of the sons of God.'* The creation is not waiting for the children of Yahweh but for the sons. These are ones that have been trained by the Word and are able to receive the government upon their shoulder. They are people who are fully developed in the Word to understand the will of the Father and how to respond in obedience to Him. All these development is only possible by the Word. It is only the agency of the Word that see the development of the child of Yahweh into sonship. Sonship is about coming to the stage of knowing the will of the Father and that comes by much training in the Word.

Galatians 4:1-2 corroborated the same fact that you don't enter into authority until you develop into sonship. The danger of not developing into sonship is that you forfeit your inheritance among them that are sanctified. You will end your journey as a child who is under tutors and governors. The worse is that you are also under the influence of the elements of this world. You can be sick, broke, tormented by local principalities, all because you refuse to develop your spirit-man by the Word. You go through life as a victim instead of as a victor that HaMashiach has

made you. II Corinthians 2:14 says, *'Now thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the savour of his knowledge by us in every place.'* That means in HaMashiach, you are never suppose to lose any battle to the devil and his agents. But if you refuse to develop, you will continue to lose to the elements of this world and to the local powers. You cannot afford to live such a servitude kind of existence.

The glory and colour in HaMashiach is in growing up as a son. Even the Lord Yahushua Himself could not take possession of all that were written concerning Him until He was declared the son of Yahweh by the Spirit of Holiness (see Romans 1:4). Your glory and colour as one that has received eternal life is in being trained into sonship by the Word. Go for it! Shalom!

#### REMEMBER

Christianity is colourless if you are not built up by the Word.

In God will I praise his word: in the Lord will I praise his word.

Psalms 56:10 [KJV]

The Lord and His Word are the same. For us to come into His presence, the divine protocol is to enter with thanksgiving (see Psalms 100:4). You cannot enjoy the Word from the outer court. It is the Spirit that teaches us the Word. You must come into His presence first and that entails having a thankful/grateful heart. Maybe this is the link that is missing in the lives of so many students of the Word. Thanksgiving and praise is the way to enter into the presence of the Lord. Also it takes thanksgiving and praise to access revelation from the Word because you are only inside the court by thanksgiving and praise. Mark 4:11 says, *'And he said unto them, Unto you it is given to know the mystery of the kingdom of God: but unto them that are without, all these things are done in parables:'* You are within the court by thanksgiving and praise. No matter how in a hurry you are to read or study, close your eyes and thank the Lord for the privilege to have His Word and to read it.

Your light is suppose to be getting better by the day but that is only possible by thanksgiving and praise. Proverbs 4:18, says, *'But the path of the just is as the shining light, that shineth more and more unto the perfect day.'* If you have ever seen something from the Word of Yahweh, you must acknowledge and offer thanks for it before you qualify for the next. The principle of having more in the kingdom is to acknowledge the last before you are qualified for the next. So, thank the Lord for the revelation you got from the Word the last time. Always be grateful for any understanding that dawns on you from the Word. This is what qualifies you to receive the next. Until your thanksgiving is registered in heaven, you have not received the last consignment and if you have not received it, heaven will never release the next so that what happened to the last does not

happen to it. So, you will wait forever and nothing is coming to you from heaven, why? Because you refused to acknowledge in thanksgiving the understanding you received from the Word. These things sound small but they are the rudder that is driving the mighty ship of insight/revelation in the Word.

Develop the habit of praising the Word of Yahweh. Something like: "Lord what can I do without Your Word? Your Word is the source and perfecter of my life. I am the product of Your great Word. I love Your Word Lord." Praising the Word will open the floodgates of revelation of the Word to you. While you interact with people, share testimonies of what the Word is doing in your life. Ascribe praise to the Word like our opening text says. Make this your habit. Shalom!

#### REMEMBER

Thanksgiving and praise is the way into the Word and into revelation of the Word.

#### THANKSGIVING

Dear Father, we are not worthy of the least of Your mercies. What shall we say for bringing us to the end of this great month, no loss, no tears, we saw goodness and mercies, abundance of blessings in front and at the back. Pastor Prince started his faith journey at age five when he gave his life to Yahushua HaMashiach in the children church of Assemblies of God Church Akaelu Lodu Imenyi. But in 1988 at age nine, he was baptised with the Holy Ghost and Fire during the long vacation in Enugu. This fire implanted amongst many other things the passion to tell people about the Lord Yahushua. This was what he started doing when he came back from that long vacation, gathering his age mates and preaching to them with his Gideon's New Testament Bible. At about seventeen he and others around him knew of a call to the ministry gift of a Pastor but for one reason or another he had developed a dislike for being a pastor. So, instead of going to Bible School as encouraged by some of his mates, he went to Enugu and later got admission to study Accountancy at the prestigious University of Nigeria Enugu Campus (UNEC) where he obtained a B.Sc. in Accountancy. After graduation instead of pursuing his Accountancy career, he developed a passion for computers and went into Telecommunications Engineering. He obtained training and practicals from one leading industry specialist. He also expanded into software and web development which led him to join Andela and Google Learning Bootcamps. He became an Android developer with advanced knowledge in many development languages. He had worked with high profile industry leaders in technology and health. All these years, he was still burning for the Lord. Married with three great boys. But in 2017 it became obvious that he cannot run any further from the call he was aware of at age seventeen. For twenty years and more, he had tried to convince Yahweh to change His mind but without success. He resigned from work and went to Bible Seminary. That marked his saying "Yes Lord!" to the call. He came to the Ministry without any intention to write or author any material. He only came to answer the call as he knew it but in January 2020, the Holy Ghost birthed this devotional as He was waiting on the Lord in a forty-one day fast. We believe that you coming in contact with this material will deliver a testimony into your hands.
